THIS ANNOUNCEMENT IS NOT A NOTICE OF SOLICITATION ISSUANCE. THIS IS A REQUEST FOR INFORMATION (RFI) FOR PLANNING PURPOSES ONLY.

FA8903-14-R-ES-USAFE/PACAF RFI #1:

Environmental Services (ES) for the United Air Forces Europe (USAFE) and ES for Pacific Air Forces (PACAF) are two (2) separate requirements being solicited under one (1) RFI. Please see the RFI notice, questionnaire and performance work statements (PWS) for more details.

This RFI is issued for the purpose of developing a viable solicitation that will best communicate the Government's requirements to industry. Response to this RFI is strictly voluntary and will not affect any firm's ability to submit an offer if, or when, a solicitation is released.

Since this is an RFI to be used in planning a future acquisition, please do not send in any proposals. Request for proposals (RFP) if, or when, issued, will be available on FedBizOpps at <https://www.fbo.gov/>. As such, it is the potential offeror's responsibility to monitor this site and other government identified sites in the RFP for the release of any additional information.
